## QUOTATIONS OF THE NEW YORK STOCK MARKET.

Situation of Tobacco at Richmond and Other Important Centres—Cotton and Farm Products—Peanut Quotations—Miscellaneous.

New York, Sept. 5.—Money closed at 12 per cent. Exchange closed steady; posted rates, \$850-\$855; actual rates, \$824 of 182½ for sixty days, and \$850 for demand. Government closed steady; currency, 68, 112 bid; U.S. consols, 125½ bid; 4½% per cent. bid.

The stock market opened extremely dull, and continued so throughout the morning. Prices changed, but slightly in most cases during the morning, and at noon were generally about the prices current at the close last night. The failure of Sawyer, Wallace & Co. had no effect upon the market. In the afternoon the market was dull, but firm, with an advance by 2 o'clock of 1 to ½ per cent. over the prices current at 12½ per cent. In the last hour there was some selling, under which the improvement was wholly lost, and a majority of stocks closed fractionally lower than yesterday. Sales 120,570 shares.
